Safe Harbor Disclaimer

Certain statements made or discussed during the conference call may be "forward looking statements" including, but without limitation, statements relating to the implementation of strategic initiatives, and other statements relating to HPL Electric & Power Ltd.'s future business developments and economic performance. Such forward-looking statements involve a number of risks, uncertainties and assumptions which could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These include, among other factors, changes in economic, political, regulatory, business or other market conditions. Neither the Company nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation or the actual occurrence of the forecasted developments. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise. Given these uncertainties and other factors, viewers of this communication are cautioned not to place undue reliance on these forward-looking statements.

In addition, the conference call is for general information purposes only, without regard to any specific objectives, financial situations, or informational needs of any particular person. The financial information to be outlined is different from that of the audited financials as such financial information includes information of subsidiaries/JV of the Company and hence might not meet statutory, regulatory, or other audit or similar stipulated needs of the Company.

Hosted by Dickenson World, the Investor Relations Advisor to HPL.
