## Building India's Smart Cities - The HPL way

HPL's dedicated Smart products are perfectly placed to build India's next gen-cities. With proven expertise in focussed strategy, robust processes and comprehensive end to end solutions, HPL has been entrusted for implementation of smart LED Street Lighting solutions in Bhopal smart city as a consortium partner. In addition, HPL is also implementing LED Street Lighting solutions in judicial area of Greater Hyderabad Municipal Corporation, AP.

## AceTech Exhibition 2016 at Pragati Maidan, New Delhi

It was a great opportunity to connect with builders, consultant, architects, retailers and distributors. The platform also helped us showcasing new products in front of the industry experts and our competitors.

Mr. Gautam Seth, JMD (HPL)

Electro-Tech 2016 was the eighth edition of the event on electrical/electronic goods and services organized by Federation of Electrical Entrepreneurs of Nepal (FEEN).

We were the Proud Golden Sponsors of Electro tech -2016 Exhibition , held in Kathmandu (Nepal ) that has helped us to flaunt our products to Mass consumers as the one of promising INDIAN Brand in NEPAL. The sponsorship helped us to share the stage with the Ministries, Local Business Leaders and Authorities. Our Management was honored with the Mementoes as Token of Appreciation & Participation.

## Electro-Tech 2016 in Nepal

## Electric Expo 2017 - Hitex, Hyderabad

Participated in various other regional exhibitions to get connected with the right stakeholders. At the exhibition, we displayed Smart Meters, LED Lighting solutions, Switchgears, Modular Switches, Wire & Cables.

Chief Guest: Mr. Rameswara Rao (Chairman)  
M/s My Home Constructions

## Engineering Expo, Indore 2016

## Electrical Trade Show, Patna 2016

## AV ATS Product Launch at Chandigarh

Company has planned to launch the electric operated version of Onload changeover with technologically most updated program modules for futuristic requirement of load management **AV ATS** (Advanced Version Automatic Transfer Switch) across the markets in next couple of months at larger scale. Very recently, we have launched this product in Chandigarh wherein top notch consultants, architectures were invited to grace the occasion.

## Technical Seminar and Product Demonstration at Kolkata

Mr. Rishi Seth (JMD)  
addressing the audience

As a part company's growth initiatives, we annually organize Technical Seminars & Product Demonstrations. Our last meet conducted on 18th Nov.'16 at Taj Gateway, Kolkata which was graced by top consultants, architectures and builders. The idea behind this meet was to communicate the company's vision as well as excite the world at large about our latest attractions.

## Employee motivational training programs

At HPL, we believe that motivational programs have multiple benefits for both employee and employer. In addition, the employee feels more comforted and thus more motivated.
